

Aviagen Veterinary Services Summer Internship

Aviagen® is a global poultry breeding company that develops pedigree lines for the production of commercial broiler chickens under the Arbor Acres®, Indian River®, Ross®, Rowan Range®, and Specialty Male® brand names.

The company is based in Huntsville, Alabama with a number of wholly-owned operations across the UK, Europe, Turkey, Latin America, India, South Africa, Australia, New Zealand, and the US, and joint ventures in Asia. Aviagen employees more than 6,200 people and has a distribution network serving customers in more than 100 countries.

We are looking for undergraduates interested in learning more about the exciting poultry industry and veterinary medicine. Applicants must be willing to relocate to the Elkmont, AL or Athens, AL area for the summer.

Intern program includes:

- Hourly compensation and housing
- Field experience with GGP and GP Veterinary teams, production teams, NPIP monitoring teams, and a diagnostic laboratory overview
- Chick, pullet, and breeder necropsies
- Professional development workshops

To apply: submit your resume and unofficial transcript to ltenny@aviagen.com.

Application Deadline: **Friday, December 31, 2021.**

Interviews will be held during IPPE either in person or virtually depending on student preference.

Aviagen is EEOC employer that offers competitive pay for this exciting opportunity to learn at a primary poultry breeding company.
