Birchwood Foods

PRODUCTION SUPERVISOR INTERNSHIP

Birchwood Foods, a leading ground beef manufacturer with over 80 years of industry experience, is seeking passionate, team-oriented, and self-motivated intern to join our team. Gain valuable hands-on experience and learn from industry experts with a wealth of knowledge.

Responsibilities may include:

- Direct learning experience in a refrigerated fast-paced protein-processing environment.
- Develop a well-rounded understanding of the various production processes, including shipping and receiving, grinding, final grind, and packing of product.
- Follow detailed instructions of plant supervisors and crew leads to understand and execute formulating with our grinding systems.
- Cultivate the skills to safely and effectively operate Formax machinery.
- Develop solid understanding of production schedule and production processes.
- Maintain the facility from a sanitation and housekeeping standpoint, including cleaning, sanitizing, and storage of equipment and tools.
- Ensure Food Safety and Food Quality by following our HACCP Plan and all FSIS Directives.
- Other job-related duties as requested

Requirements:

- Students pursuing a BS or MS in Food Science or related discipline
- Dependable and self-motivated with a positive attitude
- Great interpersonal skills along with excellent written and verbal communication
- Comfortable in a refrigerated plant environment

Location:

- Columbus, OH

Duration:

- 12-week program will run from May 2019 to August 2019
