Boar Stud Intern

Ostler Sires

327 N. 250 East, Frankfort, IN 46041

Position Description:

This intern will perform routine animal care and tasks to ensure welfare and well-being of animals in the commercial boar stud.

Specific tasks include:

- Moving and collecting boars in an efficient, hygienic and safe manner
- Feed, water, vaccinate and perform general animal husbandry tasks
- Maintain accurate production records
- Perform semen evaluation and packaging procedures
- Follow the company’s animal care procedures to ensure welfare and well-being of animals
- Assist with maintaining barn, office cleanliness, and laundry duties

Desired qualifications:

- Team player
- Attention to detail
- Ability to do hard physical labor
- Previous livestock handling is helpful
- Willingness to shower daily in and out of facility
- Ability to follow instructions and deal with standardized situations

Abilities required:

- Must be able to frequently climb over, under and around penning
- Must be able to walk down narrow alleys and in and out of narrow penning
- Must be able to lift 50lbs on a limited basis
- Must be supportive of the mission of raising swine for human consumption of high quality pork products
- Must be able to tolerate semen, blood, animal dander, manure, dust, odors and noisy conditions
- Must be able to work with others in a team environment

To apply: Send resume and cover letter to Tawny Ostler at ctostler@geetel.net
