CoBank is a $125 billion dollar organization serving vital industries across rural America. The Bank provides loans, leases, export financing and other financial services to agribusiness and rural power, water and communications providers in all 50 states. CoBank’s mission is to serve as a dependable provider of credit and other value-added financial services and support to agriculture, rural infrastructure and other similar borrowers for the benefit of rural America.

CoBank is now accepting applications for its 2020 Summer Intern positions. We will be recruiting for intern positions at various banking centers and would welcome valuable talent to join our team! All of the positions are posted on the link indicated below.

We will be attending your career fair on Tuesday, October 1st. Encourage students to apply immediately as we plan to make selections as soon as possible. When completing the application online, indicate the source so that we can track how students hear about the internship.
