

HUNTER NUTRITION, Inc.  
Brookston, IN  
(765) 563-1003

Student Office Worker  
Openings for summer and school year.

Student Office Workers work part time during the school year and can also (if desired) work full time during breaks and summer. It is preferred that student office workers have office experience; but not required. We will train you for the job here including all office work. However if you have any of the following work experience it is a plus: farming/agri-business experience, livestock experience, feedmill experience, and/or office experience. Hunter Nutrition is a specialized feed manufacturer. Our 58,000 sq ft plant manufacturer's texturized, pelleted, and mineral/premix feeds. Our 1500 sq. ft office is adjacent to the feedmill. We are located just north of West Lafayette in Brookston, Indiana. Qualified individuals will have a positive attitude, a good employment history, and a good work ethic. Attention to detail and accuracy is a must. Job description is an office worker who is responsible for customer service, answering the phone, order processing, operating office machines, direct mailings, maintaining files(computer and paper) , keeping notebooks updated, UPS shipping, and office cleaning, We are looking for dedicated individuals who are concerned about our business and the quality of service we provide. Student employees enjoy the work experience here and the knowledge they obtain while employed with Hunter Nutrition. Many of our student employees are with us during their entire attendance at Purdue University. Student employees work their shifts at times in-between about 7:45 am and about 5:20 pm.
