The Indiana Department of Environmental Management (IDEM) Office of Program Support (OPS) has three Governor’s Office Summer Internships available for the summer of 2019. By clicking on the following link – [https://www.in.gov/spd/3181.htm](https://www.in.gov/spd/3181.htm) – you can select from three dynamic opportunities (listed below) to hone your skills in working in state government and on public policy issues, while gaining valuable experience working with a professional and highly skilled staff.

The deadline to apply for the internships is **Thursday, February 28, 2019**, so don’t delay – apply today!

If you have questions about positions, please email the contact person indicated for each internship position.

1. **Pollution Prevention and Compliance Assistance Summer Internship** - This position is in Pollution Prevention and Compliance Assistance Section within the Office of Program Support. This intern position performs tasks related to the voluntary programs within this section. This intern will research pollution prevention best management practices for communities, gather information on other states’ programs related to leadership programs for communities, and prepare written summaries of the research. This intern will also be involved in activities related to the Partners for Pollution Prevention, the Environmental Stewardship Program and the CLEAN Community Challenge.
