Internship Applications
The Senate Democratic Caucus offers spring-semester internships to college sophomores, juniors, seniors, graduate students as well as recent college graduates.

Applicants must be:

Residents of Indiana, in school or graduated, or currently enrolled in higher-education institutions in or out of state; OR
Out-of-state residents attending an Indiana college or university.

Appointments for interviews are made on a competitive basis, with attention given to the intern’s online application, academic record, work-related experience, and other skills that individuals may bring to the Indiana Senate.

No specific major is required, but a successful candidate must want to learn about government and politics in a real-world setting.

Application Process

All positions are filled by applying to the program through one application. Interns are assigned to positions that best match their skill-set, background, formal training, and overall qualifications for the program.

Applications for the 2019 legislative internship are due by October 31, 2018.

Additional Required Application items:

- Résumé
- An essay, 200-300 words, describing why you want to be an intern
- A copy of your college or university transcript, official copies are preferred, but not required
- One recent academic writing sample
- A minimum of three letters of recommendation from employers, faculty members, or upstanding members of the community
