Work for Indiana

The Governor’s Public Service Summer Internship (GPSSI) is designed to give college students real world, hands on experience in their desired field of study to enhance marketability upon graduation. Participation in the Governor’s Public Service Summer Internship will offer students a multitude of experiences including networking with state employees, resume building and soft skills workshops, agency head panels and much more. This is a paid internship at $11.30 per hour.

About The Indiana State Department of Agriculture

The Indiana State Department of Agriculture (ISDA) was established as a separate state agency by the Legislature in 2005. The Director of ISDA is appointed by the Governor and is a member of the Governor’s Cabinet. The ISDA vision is to be a global leader in innovation and commercialization for food, fuel, and fiber production. For more info click this link: http://www.in.gov/isda/3240.htm
