JBS Summer Internship Program: *Make Your Mark*

**Key facts:**
This is a 10-week program from June until August designed to provide challenging, hands-on work experience in a variety of disciplines. The interns that go through this program work on meaningful projects that have an impact on the business and present on their work in front of the company's key leaders. Other benefits of the internship include a built-in mentoring program, rotational peer shadowing, and networking events. This is a great opportunity for students, ideally between their junior and senior year, to gain experience in their area of discipline, potentially earn class credit, and build lasting relationships in the world’s largest animal protein company.

**Qualifications:**
- In pursuit of a Bachelor's or Master's degree
- 0-3 years of work experience
- Strong desire to work in a challenging and hand-on work environment
- Ability to relocate, preferred
