Intern/Summer 2016 Employment
Type: Part Time

Location: Off Campus
Knapper Cattle
2309 W Clark Rd
Kingman, IN 47952

Position: Beef Production Intern

Knapper Cattle is looking for a responsible and reliable individual with his/her own transportation. A cattle background is preferred. Successful candidates should possess excellent oral communication skills, as well as being highly motivated and organized.

Training/Skill: Candidates will be responsible to help with day to day cattle operations. Just to name a few of those tasks: feeding, washing/drying show cattle, pregnancy checking, breeding, calving out cows, giving vaccinations, cleaning out barns. Individuals will learn more about beef production and gain excellent hands on cattle experience. Other benefits will be discussed at the interview.

Hours: Hours will vary depending on the season, looking at 6-7 days per week.

Interested applicants should email a resume to:
