**Learn more and apply by  
October 24<sup>th</sup> at  
<http://bit.ly/GFCApply>**

# How to apply

1. Create a one-minute video and upload to YouTube. Video must be completed prior to completing the online application. Please keep video to 50-80 seconds.

Video Requirements:

-Introduction to you: studies, background, and skills.

-Why you're passionate about leadership development and solving big challenges.

2. Complete the online application, including copying and pasting the YouTube URL of your video into the "Websites" section on the application. Both the video and online application must be completed to be considered for the Global Food Challenge program.

# Application Timeline

- October 24, 2021: Application closes at 11:59pm.
- October 27-November 2: Interviews held.
- November 3: Global Food Challenge intern offers made.
