

**Purdue Butcher Block**  
**Located in CRTN Hall/ LOL**  
**Help Wanted**

**Job Description:**

- NO EXPERIENCE NECESSARY
- We are looking for student employees to work in our facilities this school year.
- This is a great resume building job opportunity for students going out into the Ag Work Force after graduation.
- We offer the opportunity for students to have hands on experience in food production.
  - Employees will learn meat processing skills (such as cutting and learning the different cuts and muscle groups).
  - Employees will learn the rules and regulations for food safety.
  - Employees will also gain experience working in a retail environment.

**Interested Applicants:**

Send your resumes to Meat Lab Manager Blaine Brown via email (brow1173@purdue.edu) and he will set up a time that works to meet with you.
