317Grow is a landscaping company providing design, installation, and maintenance services in the Indianapolis area with a focus on high-end residential projects. We are known for our bold, creative projects and willingness to push limits. Our culture is open-minded, friendly, and diverse. We believe in giving back to the community. At 317Grow, we think of our work as so much more than installing a patio or mowing a lawn - we are working to create meaningful outdoor spaces that improve lives.

https://317grow.com/careers/

Ag-Max is an Agricultural Helicopter Service that provides aerial solutions inside and outside of the agricultural sector. Based out of Clark Regional Airport in Sellersburg, IN, we provide timely, efficient and accurate services throughout the MidWest. Our interns will be utilized primarily as ground crew support for our crop spraying and pipeline seeding units.

http://ag-max.com/employment/

AgReliant Genetics is the largest independent corn seed company in the US and 3rd largest overall. We are well known for our great family friendly culture and industry-best training program. We have careers and internships in sales, agronomy, seed production, research, and marketing.

http://www.agreliantgenetics.com
Today, we’re one of the world’s largest agricultural processors and food ingredient providers, with more than 32,300 employees serving customers in more than 160 countries. With a global value chain that includes approximately 500 crop procurement locations, 250 ingredient manufacturing facilities, 38 innovation centers and the world’s premier crop transportation network, we connect the harvest to the home, making products for food, animal feed, industrial and energy uses.

http://www.adm.com

B&A Genetics is breaking the mold. We are genuinely committed to farmer success in the Ohio, Indiana, and Illinois region, and strive to make seed selection simpler and smarter.

With the widest selection of germplasms/traits and elite seed, B&A Genetics has carefully selected the best options for each district so farmers can stay competitive.

http://www.bagenetics.us

Welcome to Bane-Welker Equipment, LLC. We were established in January of 2013 when two successful Case IH dealers (Bane Equipment & North Central Agri-Power) consolidated and became one company.

Bane-Welker Equipment is proud to employ knowledgeable, friendly and experienced people who share our vision of success and who bring true value to customers by providing the best possible products and service available.

http://www.bane-welker.com

Beacon Credit Union is largest agricultural lending credit union in the nation. For the past 87 years, Beacon Credit Union has continued the mission set by its founders; to provide fair and competitive financial products and services that are responsive to the needs of its member-owners. Today, Beacon has over $1.2 Billion in assets, and has grown to include 30 office locations and serve over 43,000 members throughout the state of Indiana.

http://www.beaconcu.org
In 2014, The Brickman Group and ValleyCrest Landscape Companies combined to form BrightView. As the next-generation landscape and snow services enterprise, we serve a wide range of clients in diverse industries nationwide, with comprehensive capabilities that see them through the lifecycle of their landscapes.

http://www.jobs.brightview.com

Cal Poly's Master of Professional Studies in Dairy Products Technology program trains students with scientific, engineering, food and agricultural backgrounds for leadership roles in the international dairy foods industry. This innovative, 1-year master's degree program includes 9 months of coursework followed by a 3-month paid internship with one of our industry partners (Land O Lakes, Starbucks, Tillamook, Kraft, and others). No dairy or food experience required. Excellent salary potential!

http://mpsdairy.calpoly.edu

Camp Tecumseh YMCA Mission Statement:
To put Christian principles into practice through programs that build healthy spirit, mind and body for all. Camp Tecumseh is a camp with a Christian Purpose. That purpose is symbolized by our motto, "God is First, the other fellow is Second, and I’m Third." We desire staff that believe in the core Christian beliefs. We are a year round facility that include programs of Outdoor Education, Equestrian, Summer Camp, Leadership Center, and Retreats.

http://www.camptecumseh.org

Working at Cargill is an opportunity to thrive—a place to develop your career to the fullest while engaging in meaningful work that makes a positive impact around the globe. You will be proud to work for a company with a strong history of ethics and a purpose of nourishing people. We offer a diverse, supportive environment where you will grow personally and professionally as you learn from some of the most talented people in your field.

http://www.cargill.com
Ceres Solutions Cooperative is a 100% farmer owned supply and marketing cooperative. Approximately 700 employees deliver agronomy, seed, feed, technology, power fuel, propane gas, grain services and animal nutrition products to farm and non-farm customers from southern Indiana up into Michigan. Ceres Solutions operates locations in 35 counties. Ceres Solutions employees are committed to helping local growers cultivate results.

http://www.ceres.coop/

CGB is an innovative and entrepreneurial company whose core business revolves around the grain and transportation industries in the Midwest, along the nation’s inland waterways. CGB has expanded its services to include handling and transportation of bulk commodities and logistics operations domestically and around the world.

http://www.cgb.com

CNUC is a highly experienced consulting and operations team with an unparalleled understanding of utility vegetation management (UVM) industry best management practices, and legal and regulatory requirements. CNUC assists utilities in improving their UVM programs through utility arborists and foresters, turn-key UVM operations, quality assurance and control, and program and compliance reviews, often combined with software and LIDAR solutions.

http://www.cnutility.com/careers/

http://www.covance.com

Now is a great time to join E. & J. Gallo Winery. Not only has our company earned the distinction of being the largest Winery in the world, but we have remained family owned and operated for over 80 years. Recently recognized by Glassdoor as one of the "Top 50 Best Places to Work", we couldn’t be prouder of our employees. As a wine and spirits company with over 90 brands, the heart of our success story is our people.

http://www.gallo.com

Elanco is a global research-based company that develops and delivers product and services to enhance animal health and production. We value innovation, both in scientific research and daily operations, and strive to cultivate a collaborative work environment for more than 7,000 employees worldwide. Founded in 1954, Elanco is a division of Lilly. Our worldwide headquarters and research facilities are in Greenfield, Indiana.

https://www.elanco.com/careers/
Farm Credit Mid-America is an agricultural lending cooperative owned and controlled by our customers. With more than 1,100 employees, we serve nearly 100,000 customers throughout Indiana, Ohio, Kentucky and Tennessee. Our purpose is to secure the future of rural communities and agriculture. We are honest, respectful, and committed. We have integrity, value our differences, and seek to understand. We are dedicated to excellence.

http://www.e-farmcredit.com/careers

First Farmers Bank & Trust now serves over 50,000 clients throughout Indiana and Illinois from 24 conveniently located branch offices and has become one of the premier community banks in the Midwest. With over 290 full time employees and over $1.2 billion in assets, the bank has come a long way from Mark Tulley's original Exchange and is now the largest Agricultural bank east of the Mississippi River as designated by the FDIC.

http://www.ffbt.com

Foremost Farms USA, headquartered in Baraboo, Wis., is a farmer-owned milk processing and marketing cooperative with annual sales of $1.5 billion. The nation’s eighth-largest cooperative and number 25 in annual sales among the Top 100 U.S. dairy processors, Foremost Farms is a leading manufacturer and marketer of cheese, specialty whey ingredients, butter and bulk fluid milk to customers around the world.

As a leading commodity management firm, we cultivate partnerships and leverage our global distribution network to effectively link agriculture and energy supply with demand. We greet each day ready for a challenge. We don’t settle for the status quo. And we vigorously strive to grow and cultivate the full potential of every market opportunity, partnership, and most importantly, our employees. Because we know the most critical link in our supply chain is the 2,000 people we employ worldwide.

http://www.gavilon.com
Ground Pros Inc. is a full-service, four seasons landscape management company offering maintenance, restoration, and design to Chicagoland area commercial customers. Started in 1992, Ground Pros Inc. currently services over 400 clients with their dedicated team of horticultural professionals including account managers, operations managers, enhancement managers, and tree and lawn managers.

http://groundpros.com

GROWMARK is a regional agricultural cooperative based in Bloomington, IL. GROWMARK is owned by local member cooperatives and provides those cooperatives and other customers with fuels, lubricants, plant nutrients, crop protection products, seed, structures, equipment, and grain marketing assistance. In addition, GROWMARK provides a host of services from warehousing and logistics to training and marketing support. The GROWMARK System of FS cooperatives was formed in 1927.

http://www.growmark.com/careers

A farmer owned cooperative that serves customers in our market area. Our purpose is to provide products, operational services, technologies and marketing assistance to our customers to enhance their lives and profitability, while generating an adequate return on our members' equity.

http://harvestlandcoop.com
