STUDY ABROAD COORDINATOR
POSITION AT THE OHIO STATE UNIVERSITY

Position in coordinating education abroad programs that relate to food, agriculture or the environment at The Ohio State University. This Study Abroad Coordinator position can be found at the following link: (http://www.jobsatosu.com/postings/68468).

This is a unique position because the employee would see and work in the academic side of Ohio State as well as with the central Education abroad Office.

Please note that a required qualification is a “degree or personal experience in agriculture, environmental sciences or food science”. Applications are due March 6, 2016.
