Agronomy Internship (WinField United) - Midwest Region - (P-220)

Description
At Land O'Lakes, Inc., our interns are living the job, learning the ins and outs of our business. While we’re proud of our agricultural roots, our internship opportunities go far beyond the traditional industry roles. As an intern you will have your own project, present your results to business leaders, and the opportunity to have a real impact on our business. Along the way, there will be a lot of chances to network, meet our senior leaders and start building your career.

Job Description and Qualifications

Position Purpose:
Are you an individual that likes to work with soils, plants, and showing/demonstrating to people the best practices there are within Agronomy? If so, the agronomy internships will help you discover methods that work in particular environments and apply them to current practices. This is a great step if you enjoy being a hands-on agronomist and sharing your knowledge with others.

Experience-Education (Required): Junior/Senior pursuing a Bachelor’s degree in Agriculture or related degree program.
Experience-Education (Preferred): Degree in Agriculture related field highly preferred.
Competencies-Skills (Required): General agronomic background, ability to work independently, ability to prioritize tasks, good communication skills, and good organization skills.
Other Requirements:
Candidate must have an acceptable driving record

Candidate must maintain a clean-shaven face to allow for a proper seal with respiratory protection equipment.

EOE M/F/Vets/Disabled. Land O’Lakes, Inc. enforces a policy of maintaining a drug-free workforce, including pre-employment substance abuse testing.
