

Landscaping, Mowing, and Tree Crew Members and Foremen - YEAR ROUND

Krintz Lawn Care and Landscaping is a family based, very diversified Lawn Care and Landscape company that has been serving the Tippecanoe and White County areas for more than 30 years. Our company is growing and we are looking to fill multiple openings. We keep our crews busy YEAR ROUND!

Crew Members

Tasks include, but are not limited to, installation of new lawns and landscaping, landscape maintenance, trimming shrubs, mowing lawns, trimming trees, removing trees and making sure equipment is safely and properly put away. Depending on experience with equipment, employees may be required to use necessary motorized equipment.

Crew members are expected to take direction from the crew foreman and complete their assigned tasks.

Requirements: At least 18 years old, positive attitude, hard worker, team player, professional appearance, and ability to work with minimal supervision

Occasional work on weekends will be required due to peak season pressures and weather related events.

Foreman

The Foreman is responsible for directing and managing a crew of 2-3 individuals, assigning tasks based on the property requirements, and performing a walk-through of the property to verify the completion of work. The Foreman is responsible for driving the crew, ensuring appropriate safety measures are taken and signing out and returning all equipment needed for the day. The Foreman completes paperwork throughout and at the end of the day. Will be required to use necessary motorized equipment.

Requirements : At least 18 years old, positive attitude, hard worker, team player, ability to work with minimal supervision, professional appearance, excellent oral and written communication skills, and valid driver's license with a clean driving record.

Occasional work on weekends will be required due to peak season pressures and weather related events.

Compensation: Wages are based on experience.
