

# Gamma Sigma Delta

Gamma Sigma Delta is inviting nominations for student membership from among the College of Agriculture, College of Consumer and Family Sciences and School of Veterinary Medicine. Listed below are the criteria for these nominations as defined by the GSD constitution. Please forward your nominations, on mailing labels, with the current local address of each student, to Dr. Michael Anthony Hill (hillma@purdue.edu, VCS, LYNN) by February 2, 2007. If possible, we would also like a list of students by program of study for the use of our Membership Committee. We also need to know which nominees are juniors and which are seniors.

At the same time, please submit the names and a paragraph of 100 words for the top sophomore student and the top senior students in the College of Agriculture, College of Consumer and Family Sciences and School of Veterinary Medicine.

This will be Gamma Sigma Delta's 36th initiation at Purdue. A reception is planned for Thursday, March 29, 2007, at 7:00 p.m. in the North Ballroom of the Purdue Memorial Union.

Please put this reception on your calendar. Thank you for your assistance.

## Membership Criteria

Students enrolled in the College of Agriculture, College of Consumer and Family Sciences and School of Veterinary Medicine, or in other divisions of the University where the individual student's area of study is directly related to these disciplines, may be nominated.

1. All nominees must have been in residence at Purdue University at least one academic year.
2. Seniors (Semester 7 or 8) who are scholastically in the upper 15 percent of their graduating class and have a cumulative 3.00 or higher graduation index may be nominated.
3. Juniors (Semester 5 or 6) in the upper five percent of their class may be nominated. They do not need to have completed the junior year.

cc: Gamma Sigma Delta Executive Committee; Membership Committee; Betsy Thompson, Academic Advisor, CFS
