MLK Jr. Literacy Drive
Agriculture vs. Health and Human Sciences vs. Science

Support literacy for our youth in the community. K-12 age books requested

Out-of-school reading habits of students has shown that even 15 minutes a day of independent reading can expose students to more than a million words of text a year.

2/3 of students who cannot read proficiently by the end of the 4th grade will end up in jail or on welfare.

“Urging young people to read more when there is little available to read makes as much sense as urging starving people to eat, when no food is available.”

-Krashen
