Come to a summer institute with a career focus.

**Who can come?**
- High school students (rising 10th, 11th & 12th graders interested in STEM)
- Maximum of 45 students

**How do you apply?**
- Online: open February 15–May 15
- Phone: 765-494-9586
- Email: omp@purdue.edu

**What will you do?**
- Learn about STEM in agriculture
- Conduct relevant research
- Gain financial literacy (how to pay for college)
- Engage with Ivy Tech
- Work with Purdue faculty and staff

**Where will you live & eat?**
- A Purdue campus residence hall (genders separated, halls monitored)
- Purdue dining facilities

**What else will you do?**
- Meet new people
- Weekend fun activities
- Educational field trips
- Experience college life

**What will it cost?**
- Registration fee $300

**Apply at** https://ag.purdue.edu/omp/Pages/pasa.aspx

Spend two weeks at Purdue’s West Lafayette campus.

Pre-college summer enrichment program for high school students.
