Suggestions on how you can make your Spring Fest presence more earth-friendly

- Cut back on the amount of paper you use.
- Minimize your electricity use.
- Use cloth/vinyl/reusable tablecloths on your tables.
- Carpool, bike or bus to the event. Not only is it earth-friendly, but you’ll be saving parking spaces for our visitors!
- Use recyclable cups for your beverages.
- Offer a special deal for those who bring in their own cup for drinks ($0.25 off, etc.)
- Encourage visitors to use recycling containers throughout the Spring Fest grounds.
