Enclosed is your U.S. Department of Agriculture's **2023 Agricultural Resource Management Survey**. Please complete it at your earliest convenience. Your participation helps to ensure that the agriculture industry decisions affecting you, your family, business, and community are based on facts.

What should I do next?

Please complete your survey in one of the following ways:

Online at agcounts.usda.gov. **Online reporting is fast and secure.** All you need is the survey code located in the top left corner of your questionnaire to log in.

By **mail or fax**. Complete the questionnaire and mail it back in the prepaid envelope provided or fax it to 812-218-2232.

You may receive an email reminder to complete your questionnaire. **If you do not respond by January 16, 2024, a USDA representative may contact you to arrange an interview.**

Your response is CONFIDENTIAL BY FEDERAL LAW.

The information you provide will be used for statistical purposes only and will not be published in identifiable form.

Why is your response important?

Your response will help your state Department of Agriculture, local banks, and input suppliers with decisions that affect you and other farmers and ranchers nationwide.

We will publish the data in the annual *Farm Production Expenditures* report on July 26, 2024, at nass.usda.gov/Publications as well as in other reports at ers.usda.gov/arms.
