Please make corrections to label name, address, and ZIP code, if needed.

NASS is collecting information on the costs and returns for operating a farm or ranch in the United States and it is essential that we collect this information directly from the producers to make the information as accurate as possible.

The information you provide will be used for statistical purposes only. Your responses will be kept confidential and any person who willfully discloses ANY identifiable information about you or your operation is subject to a civil penalty, a fine, or both. This survey is conducted in accordance with the Confidential Information Protection and Statistical Integrity Act of 2016. Title 16, U.S.C., Sec. 1714-1415, unless it is a U.S.C. title and other applicable Federal law. For more information on how we protect your information please visit <https://www.usda.gov/nass/2023-09-27-2023>. Response is voluntary.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0555-0075. The time required to complete this information collection is estimated to average 100 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

If this operation is a partnership, please identify the other person(s) involved.
