- Personal enumeration is allowed for September Hogs. As always, telephone enumeration is encouraged and if a respondent is reluctant to complete the interview with you, please encourage him/her to complete the report by mail or on-line.
- This survey is available in CAPI on the iPad. Labeled questionnaires will not be provided. A limited number of paper forms will be sent to each enumerator.
- After September 10, do not click on Save for Review in CAPI. At that stage use Final Submission only.
- If you have an operator that operates in multiple states, please obtain the information on a state by state basis. Submit the information for your state in your iPad and call the other state’s data into the office.
- Don’t hesitate to call if you have any questions.
