

March 28, 2024

Why am I getting this letter?

Enclosed is your April 2024 Agricultural Labor Survey. Your participation is important. Please complete the questionnaire at your earliest convenience.

You may receive an email reminder to complete the survey. If we do not receive your completed questionnaire by April 17, 2024, we may contact you for an interview.

How will the data be used?

The wage rate data serve as a guide to individual farm producers when hiring workers and estimating expenses for their operations. USDA and the Department of Labor use the data to estimate the demand for and availability of seasonal agricultural workers. The Department of Labor uses the survey data to establish minimum wage rates for agricultural workers and assist legislators in determining labor policies. Farm labor data are also used in the formation of both farm productivity and price indices. Wage data are a component of the Parity Index. Farm labor data provide information for the agricultural component of the Gross Domestic Product.

We recommend that you respond online. On the Respondent Portal, you can complete your survey, track upcoming surveys, access data visualizations and reports of interest, link to other USDA agencies, and more.

The information you provide will be used for statistical purposes only. **In accordance with federal law, your responses will be kept confidential and will not be disclosed in identifiable form.** NASS will publish the survey data on May 22 in the biannual *Farm Labor* report at nass.usda.gov/publications.

Thank you for your participation and support of U.S. agriculture. For more information about this survey, visit nass.usda.gov/go/labor.

Sincerely,

Lance Honig
Acting Chair, Agricultural Statistics Board
USDA National Agricultural Statistics Service

Enclosure

What should I do next?

Complete your survey in one of the following ways:

Online at agcounts.usda.gov. **Online reporting is fast and secure.** You just need your unique survey code on the enclosed form to begin.

By **mail or fax**. Complete the questionnaire and mail it back in the prepaid envelope provided or fax it to (855) 415-3687.
