<b>Available for CAPI</b>	November 29 – December 17
<b>Last Date to Enter into CAPI</b>	December 17
<b>Release Date</b>	January 10, 2025
<b>Stat Contact</b>	Stephen Dothage
<b>Stat Phone</b>	517-324-5300

- The Mint Grower Survey is a survey of mint production in Indiana. The survey asks questions regarding current year acres harvested for oil, pounds of oil produced and sold, and dollars received for oil for spearmint.
- Indiana has been removed from the peppermint program, so we are just asking about spearmint. **We are no longer asking about peppermint.**
- Matches with other December 1 Surveys have been identified. Data collection should be coordinated for matched reports.
- Please submit all Mint data through CAPI, no later than 11:59 pm on December 17.
- If the respondent indicates that he/she no longer grows mint, please inquire about future intentions for growing mint. If the operation has been sold, rented out, or otherwise turned over to someone else, please collect complete information regarding the new operators.
- If you have any questions, please contact your supervisor, NASDA coordinator, or Stephen Dothage at the phone number above.
