

FORWARDING SERVICE REQUESTED

Dear Sir/Madam,

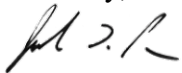

OMB No. 0535-0240 Exp. Date 10/31/2027

USDA's National Agricultural Statistics Service is conducting the Tenure, Ownership, and Transition of Agricultural Land (TOTAL) survey. Your response will help to provide a single source of comprehensive, up-to-date information to measure financial impacts and challenges of land ownership. The data will help to paint an accurate picture of farm costs, land ownership, land transfer plans for the next five years, six to 10 years, and beyond, demographics about farm landlords, and improvements made to farmland buildings and other characteristics. If you have already responded, thank you! If not, there is still time to do so. Your response is vital.

Using the instructions below, please complete your online questionnaire as soon as possible.

As a special study of the 2022 Census of Agriculture, everyone receiving this letter is **required by law (Title 7 USC 2204(g) Public Law 105-113) to respond**. All information you provide is **confidential, protected by federal law (Title III of Pub. L. No. 115- 435, codified in 44 U.S.C. Ch. 35)**, and will be used for statistical purposes only.
