\*Enumerators are encouraged to wait until February 15 to begin enumerating ARMS III to allow the second mailing of ARMS questionnaires to work. Limited data collection may begin before February 15 with supervisor approval. The last day to submit non-responses will be April 18. Also, all good reports should be in UPS to NPC by April 18. The first clean date for ARMS III is April 25.

\*\*Dates and/or Project Code Subject to Change

Surveys in red are carried over from previous month.

Surveys in blue require review.
