

June 24, 2024

OMB No. 0535-0272 Exp. Date 12/31/2024

USDA's National Agricultural Statistics Service (NASS) is conducting the Conservation Practice Adoption Motivations Survey (CPAMS) of grazing practices. Your participation is critical to better understand grazing conservation practice adoption and the role of technical and financial assistance. We need to hear from you about why you have or have not adopted specific conservation practices, and why you have maintained, expanded, or discontinued them. Please respond online at agcounts.usda.gov today or complete the paper questionnaire that you will soon receive in the mail.

The data will be used to guide the implementation of USDA programs in the future. Your response is vital.

The information you provide will be used for statistical purposes only. In accordance with federal law, your responses will be kept confidential and will not be disclosed in identifiable form. For more information about the survey, visit nass.usda.gov/go/CPAMS.

If you have questions or difficulty completing your survey, please call toll-free 888-424-7828.

Sincerely,

Joseph L. Parsons
Acting Administrator, USDA National Agricultural Statistics Service

Online reporting is fast and secure. All you need is your unique survey code to begin. To complete your survey:

1. Go to: **agcounts.usda.gov**
2. Enter your survey code:
3. Complete the survey through the Conclusion section and select **Submit Survey**

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0272. The time required to complete this information collection is estimated to average 15 minutes, including the time for reviewing instructions, searching existing data sources, gathering, and maintaining the data needed, and completing and reviewing the collection of information.
