Due Dates (Corn & Soybean OY)

Data Collection Dates (field work, Form-B's)

For:	September 1 st	October 1 st	November 1 st	December 1 st
Start	August 24	September 24	October 25	November 23
Stop	September 2	October 1	November 1	December 1

Due Dates (Corn & Soybean OY)

Form-A (begin as soon as training is complete)

- Try to complete ALL Form A's by September 1st
 - If you are unable to make contact by September 1st, continue trying until the last month. At that point it will be marked a refusal.
- With 4 months to contact the respondent, HQ doesn't accept 'inaccessible' as a valid status code for the Form-A.

UPS Procedures

- ◆ No OY materials will be sent to the Michigan office in East Lansing.
- ◆ All Form-A's & all Form-B's will be submitted on CAPI.

UPS Procedures

- ◆ To the **Lab in St. Louis (NOD/NOC)**:
 - ◆ Dent Harvest corn (& completed id cards)
 - ◆ Final Pre-harvest corn (& completed id cards)
 - ◆ Final Pre-harvest soybeans (& completed id cards)
 - ◆ Gleaning samples for both crops (& completed id cards), **AND** the completed Form-E (sample #'s that are multiples of 4).

UPS Procedures

- ◆ What envelopes are you to use when sending samples to the **Lab in St. Louis**?
- ◆ **Green** Tyvek envelopes for Soybeans (in the supply kits).
- ◆ **Yellow** Tyvek envelopes for Corn (in the supply kits).
- ◆ OY samples do not need to be double bagged.
- ◆ You will be provided with UPS labels, addressed to the lab in St. Louis.
