Zoom Etiquette Reminders

- **Please try connecting to the meeting about ten minutes before its scheduled start time.** This will allow us to get started on time and make sure that everyone is able to connect, either through the Zoom App on the iPad or through the alternate phone line
- **Please mute yourself when not speaking.** There is a mute button in Zoom. If you can't find it, we can find it for you. Muting oneself helps to minimize interruptions and feedback in the system.
- **Please hold all questions until the appropriate time,** but if you don't want to forget a question that popped up, there is a chat box where you can type any question.
- **The meeting will be recorded.**
