

## **Landscape Architecture/Design Internship**

3537 N Steele Blvd, Fayetteville, AR 72703, USA

Intern

### **Company Description**

We are Olsson, a team-based, purpose-driven engineering and design firm. Our solutions improve communities and our people make it possible.

Our most meaningful asset is our people, and we are dedicated to providing an environment where they can continue to learn, grow, and thrive. Our entrepreneurial spirit is what has allowed us — and will continue to allow us — to grow. The result? Inspired people, amazing designs, and projects with purpose.

### **Job Description**

Our Site Design team provides design services for retail, commercial, mixed-use, and residential land development projects, along with industrial, sports, schools, and other site development types. As a student intern, you will perform meaningful, hands-on, real-world work that will transform your classroom experience and help you envision your future career. You'll be part of our team, working for our clients on projects with our experienced staff. You'll assist with design development and creating construction documents that are required for city permitting of the landscape design. You may also take part in the visualization, conceptual planning, and sketching process.

*We have one current internship opening and will consider candidates interested in being located out of either our Fayetteville, AR or Springfield, MO office locations.*

### **Qualifications**

**You are passionate about:**

- Working collaboratively with others
- Having ownership in the work you do
- Using your talents to positively affect communities

**You bring to the team:**

- Strong communication skills
- Ability to contribute and work well on a team
- Pursuing a degree in landscape architecture
- Working knowledge of AutoCAD
- Proficiency in Microsoft Excel, Word, and Outlook
- Strong attention to detail
- Problem-solving and decision-making skills

### **Additional information**

Olsson is a nationally recognized, employee-owned firm specializing in planning and design, engineering, field services, environmental, and technology. Founded in 1956 on the very mindset that drives us today, we're here to improve communities by making them more sustainable, better connected, and more efficient. Simply put, we work to leave the world better than we found it.

As a student intern with Olsson, you'll receive flexible hours and paid holidays.

Olsson is an EEO employer. We encourage qualified minority, female, veteran and disabled candidates to apply and be considered for open positions. We do not discriminate against any applicant for employment, or any employee because of race, color, religion, national origin, age, sex, sexual orientation, gender identity, gender, disability, age, or military status.
